Whole Woman's Health Alliance	wholewomanshealthalliance.org	kandice@shftstigma.org	Statewide, with clinics in Fort Worth, Austin, & McAllen	Direct service abortion provider who serves patients throughout Texas in 3 different locations. We work strategically to promote abortion as a moral good to eradicate abortion stigma in peoples hearts and minds. We push back against anti-abortion attacks that aim to take the power away from people to be able to choose abortion.	Anyone seeking quality and compassionate abortion care services	<input checked="" type="checkbox"/>
Lilith Fund	www.lilithfund.org	cristina@lilithfund.org	Houston, Austin, San Antonio and surrounding areas	Oldest abortion fund in Texas. Like all abortion funds, we are deeply connected to the people most impacted by barriers to abortion. Our fund provides procedural funding (paying for the abortion procedure itself) for people in our service area who are struggling to afford their abortion care. We provide emotional and social support as well to our clients. We also organize and advocate in our communities to remove barriers to abortion care, i.e. Rosie's Law, Hyde Amendment, local practical support funding, etc.	People living in and near Austin, San Antonio and Houston who are struggling to afford their abortion care. Our clients are majority low-income women of color who are parenting. We also serve trans men, non-binary, and gender non-conforming people, young people, immigrants, people experiencing homelessness, incarcerated people, survivors, and folks at the intersections of these experiences and identities.	<input checked="" type="checkbox"/>
Texas Equal Access Fund	teafund.org	denise@teafund.org	north, east, and Panhandle	Texas Equal Access Fund provides financial and emotional support to people who need abortion care in Texas in the north, east, and Panhandle regions of the state. We advocate to ensure policies that support and expand abortion access while challenging stigma against abortion.		<input type="checkbox"/>
